

INVESTMENT POLICY

The Fund invests directly or through other UCITS funds in equity securities issued by corporations in the technology and telecom industries or other firms with a business model driven by the use of digital technologies regardless of the industry they belong to. The investment case is based on the conviction that new digital economy business models will benefit from sustainable and superior growth trends. Further description of the investment policy can be found in the key investor information document (KIID), which is available at www.sabadellassetmanagement.com.
